MESSAGE

I am happy to note that the Directorate of Economics & Statistics, J&K is releasing 49th edition of its annual publication titled "Digest of Statistics (2023-24)". Collection of statistical data and its compilation in a systematic manner, particularly in respect of various government schemes, is an important indicator to gauge the outcome of the schemes and achievement of the objectives.

The Digest of Statistics compiled and prepared by the Directorate of Economics & Statistics helps in better understanding of the economic activities undertaken by the government and the progress achieved in various sectors. This publication provides comprehensive time series data on diverse dimensions of the economy to keep the researchers and other data users informed about the updated socio-economic status of the UT of J&K.

I hope that this publication aligns with the requirements of its users. The time series data provided in the publication offer necessary inputs on macro aggregates, which will assist in devising appropriate strategies and policies for the development of the UT and the welfare of its people. With ideal planning and action, socio-economic indices are likely to improve further in the coming years.

I wish the department success in this venture.

Manoj Sinha
(Manoj Sinha)

CHIEF MINISTER
Jammu And Kashmir

MESSAGE

I am happy to learn that the Directorate of Economics & Statistics, J&K, under the guidance of Planning, Development & Monitoring Department, is releasing its annual publication titled "Digest of Statistics" with regular periodicity. The digest is 49th in this series and pertains to the year 2023-24. This annual publication has become an invaluable resource, providing a detailed and reliable overview of the socioeconomic landscape of Jammu and Kashmir.

The data presented in this publication offers valuable insights into the current state of development and would serve as a critical tool for planners and policymakers to identify areas that require focused attention. I am confident that this publication aligns with the needs of its users, offering essential data on the progress achieved by our economy.

Further, this Digest of Statistics will provide necessary inputs on macro aggregates, assisting in the formulation of effective strategies and policies for the development of Jammu and Kashmir and the welfare of its people. With well-planned initiatives, I am optimistic that our socio-economic indices will continue to improve in the years to come.

I commend the Directorate of Economics & Statistics, J&K for their dedicated efforts in bringing out this publication and urge all source agencies to continue their support by providing timely feedback and covering newly emerging areas, facilitating to enrich the data content of the publication.

(Omar Abdullah)

Atal Dullo, (IAS)

Chief Secretary
Jammu & Kashmir

MESSAGE

It gives me immense pleasure that Directorate of Economics & Statistics, Jammu & Kashmir is going to release the 49th edition of the Digest of Statistics for the year 2023-24. Since its inception, this prestigious annual publication has been a cornerstone in providing a detailed and insightful overview regarding socio-economic landscape and developmental progress of Union Territory of Jammu & Kashmir.

This edition continues this legacy, offering an enriched dataset covering a wide spectrum of economic indicators and development metrics with detailed insights which serves as a resource base for policymakers, researchers, and stakeholders. The precise and comprehensive data provided in this publication aids in formulating strategies and policies that address the unique developmental challenges of our region thereby promoting economic growth and enhancing the overall welfare of our people.

The Directorate of Economics & Statistics, J&K has once again demonstrated its unwavering commitment to data excellence. Their relentless effort to incorporate new emerging trends and considered feedback provided by various source agencies is commendable. This collaborative approach ensures that each edition of the Digest is more relevant, comprehensive, and beneficial than the previous one.

As we celebrate this remarkable milestone, I advise all source agencies to continue their invaluable support and timely feedback. By doing so, we can collectively enhance the publication's data content, making future editions even more informative and useful. The continued efforts of the Directorate are crucial in our shared mission to serve the needs of all stakeholders and users in a better way.

I extend my heartfelt congratulations and appreciation to Director General, Economics and Statistics, J&K and her Team for 49th addition of Digest of Statistics 2023-24.

(Atal Dullo) IAS

**Administrative Secretary,
Planning Dev. & Monitoring Department,
Civil Secretariat, J&K**

Dr Shahid Iqbal Choudhary, IAS

FOREWORD

The Directorate of Economics & Statistics, J&K, as the designated Nodal Agency, plays a pivotal role in coordinating statistical activities across the Union Territory. A key aspect of its mandate is the systematic collection, analysis, and dissemination of reliable data, which serves as a foundation for informed decision-making by planners, policymakers, and researchers. Over the years, the Directorate has made significant strides in strengthening J&K's statistical system, ensuring the availability of accurate and up-to-date information to support evidence-based governance and development planning.

One of the Directorate's flagship publications, the Digest of Statistics, has been a cornerstone of its data dissemination efforts. Since its inception, this annual publication has provided a comprehensive statistical overview of J&K's socio-economic landscape, featuring time-series data across key sectors. The Digest of Statistics has gained recognition for its rich data content and utility among a wide spectrum of users. The present edition, the 49th in the series, pertains to the financial year 2023-24 and offers valuable insights, including comparative analyses of key indicators at the state/UT and national levels.

This document is of great importance for formulation of evidence-based Public Policies by the departments and organizations, particularly in the social and infrastructure sectors, besides designing flagship welfare interventions.

I am confident that this publication will continue to meet the evolving needs of policymakers, researchers, and other stakeholders, serving as a vital resource for planning and policy formulation. I commend the Director General, Economics & Statistics, J&K, and her dedicated team for their tireless efforts in producing this publication and contributing to the strengthening of the statistical ecosystem in the Union Territory.

(Dr Shahid Iqbal Choudhary) IAS

Satvir Kour Sudan

**Director General,
Economics & Statistics,
Govt. of Jammu & Kashmir**

PREFACE

The Directorate of Economics and Statistics is continuously endeavouring to collect, compile and publish the statistical information in the shape of Digest of Statistics with an objective to be of utmost reliable and authentic origin under various sectors of the economy and is intended to fill the data gaps. A robust statistical system is essential for effective development. The current issue of the Digest of Statistics (2023-24) marks the 49th edition in this series, with concerted efforts made to enhance the user-friendliness, coverage, and content to meet the evolving needs of its users.

The utility of this document is underscored by its demand from user agencies in both the public and private sectors. It is anticipated that this publication will be immensely valuable to planners, policymakers, researchers, academicians, and others alike.

The Directorate of Economics & Statistics, J&K, extends its gratitude to all UT, Central Government Departments, and autonomous institutions/agencies for their cooperation in providing the necessary data and feedback for this publication. We hope for their continued support in bridging data gaps and to enrich the contents of this vital publication to make it more useful.

I would like to express my appreciation for the dedicated efforts of the officers and officials of the Directorate who have put in sustained efforts in bringing out this prime publication. Suggestions for further improvement of this publication are solicited and would be highly appreciated and acknowledged.

(Satvir Kour Sudan)

34.07	Number of Motor vehicles Registered In India	540
34.08	State-Wise Length of National Highways	541
34.09	State-Wise Ease of doing Business Rank	542
34.10	State Wise Health Infrastructure-Doctors and Specialists-2021	543-544

I- AREA AND POPULATION

- 1.1 **A**rea and population are closely interlinked. The data of Area and Population is analysed on the indicators like density of population, number of females per 1000 males/sex ratio, work participation rate, urbanization process etc. As per the census figures of 2011, the area of J&K indicate that Jammu and Kashmir is the 6th major state amongst the States and Union Territories of the country with an area of 222236 sq. kms (including area under illegal occupation of Pakistan and China).
- 1.2 To ascertain the impact of public spending across different demographic and socio-economic strata and to make it vibrant and target oriented, the process of conducting a decadal population census in Jammu and Kashmir was initiated in 1873. Census operations adhering to the principles and instructions laid down by the Government of India were conducted between 1911 and 1941. The census operations were regularly conducted in 1961, 1971, 1981, 2001 and 2011, as a part of the All India Census with the exception of the years 1951 and 1991 when the conditions in the state were not conducive.
- 1.3 Prior to the year 1921, due to a number of famines and epidemics, the population of the state grew at a slow rate. After 1921, the population increased steadily, from 29.46 lakhs in 1941 to 32.54 lakhs in 1951. During 1961-71, the population of the state saw a jump of 10.56 lakhs, climbing from 35.61 lakhs in 1961 to 46.17 lakhs in 1971 and 59.87 lakhs in 1981.
- 1.4 As per the census figures of 2011, the population of the state stands at 125.41 lakhs (66.41 lakh males (52.95%) and 59.01 lakh females (47.05%). The decadal growth rate of population during 2001-2011 was 23.64%. The census figure of 2011 indicates the overall sex ratio of 889 females per thousand males.
- 1.5 Economic classification of population reveals that 34.47 percent of the population is a part of the workforce. The overall literacy rate is 67.16 percent (males 76.75% and females 56.43 %).
- 1.6 Based on the decadal population census, this chapter contains data regarding the area and population, sex ratio, population density, the number of villages and towns, population breakup by religion and caste, rural-urban breakup of population and the occupational classification of the workforce, amongst other things.
- 1.7 As per the census figures of 2011, **the bifurcated population of the UT of Jammu & Kashmir stands at 122.67** (64.84 lakh males (52.85%) and 57.83 lakh females (47.15%) with an area of 42241 Sq Km. The census figures of 2011 indicates the overall sex ratio of 892 females per thousand males.

III-CLIMATE

3.1 **T**he Regional Meteorological Centre at Srinagar provides details on temperature and rainfall. There are 12 designated stations maintained by the Meteorological Centre namely Srinagar, Pahalgam, Kukernag, Gulmarg, Qazikund, Kupwara, Jammu, Banihal, Kathua, Batote, Bhadarwah and Katra.

3.2 Definitions:

3.2.1 The "Actual Monthly" rainfall of the division for the year is the mean of the monthly rainfall of the available stations. The sum of actual monthly rainfall for the 12 months is the "actual annual" rainfall of the division for that year.

3.2.2 The monthly 'Normal Rainfall' of the division is the mean of "monthly rainfall" of the corresponding stations and annual normal rainfall is the sum of the rainfall for all the 12 months.

3.2.3 Rainfall received during previous 24 hours is recorded at 8:30 hrs. (IST) at the rain gauge each day. A day recording rainfall of at least one tenth (1/10) of an inch is considered to be a rainy day.

3.2.4 The maximum and minimum temperature is recorded at the observatories at 8:30 hrs and 17:30 hrs. (IST).

3.3 The chapter has a set of four tables presenting data on the following:

- a) Annual rainfall in Kashmir and Jammu divisions over the years;
- b) Time Series data on mean maximum and mean minimum temperature;
- c) Monthly mean relative humidity for Srinagar and Jammu centers and
- d) District / month-wise rainfall.

IV-AGRICULTURE

- 4.1 **J**ammu and Kashmir is predominantly an agrarian economy. Nearly 70% population of the UT of Jammu and Kashmir is directly/indirectly dependent on the agricultural sector for its livelihood. Agricultural development is instrumental in enhancing farmer's income and employment opportunities. It is imperative to adopt strategies aimed at increasing and diversifying production of crops.
- 4.2 This chapter covers the pattern of land utilization & operational holdings, area under different crops, distribution of fertilizers, production and yield rate of crops. The primary sources of agricultural statistics are the Agriculture Statistics Returns and the crop forecasts prepared by the Financial Commissioner, Revenue, J&K which is the nodal agency for collection, compilation of Agriculture Statistics in the State.
- 4.3 The concepts and definitions used are the same as prescribed by the Union Ministry of Agriculture & Farmers Welfare.
- 4.4 Definitions:-
- 4.4.1 *Area according to village papers:* The reported area or the cadastral surveyed area i.e. the area for which data on land use classification is available. The estimates of the reported area are prepared by the village patwari and is different from the total geographical area of the state, as the Revenue Department does not maintain the record of the areas which are not fit for habitation. The reported area does not include the area maintained by the Forest Department.
- 4.4.2 *Forests:* Includes barren-land forests viz. the forests falling outside the forest area demarcated by the Forest Department for maintenance.
- 4.4.3 *Land put to non-agricultural uses:* Includes land occupied by buildings, rivers and canals, and land that is being used for purposes other than agriculture.
- 4.4.4 *Barren and un-cultural land:* This includes all barren and un-cultural land like mountains, desert etc. This category also includes land that cannot be brought under cultivation without an exorbitant investment.
- 4.4.5 *Permanent pastures and other grazing lands:* All grazing land, whether or not a permanent pasture or meadows and also includes common grazing land in the village.
- 4.4.6 *Land under miscellaneous tree crops, groves etc.:* This constitutes the

cultivable land which is not included in net area sown but is put to some agricultural uses. For example, land containing thatching grasses, bamboo bushes and other groves for fuel etc., but not included under 'Orchards' fall in this category.

- 4.4.7 *Cultural Waste Land*: This includes land that was not cultivated during the current year and during the last five years or more (in succession), regardless of whether it was taken up for cultivation at some point or not taken up at all. Such land may be fallow or may be covered with shrubs and jungles that have not been put to any use. The land may be assessed or unassessed and may be in isolated blocks or within cultivated holdings. Land that was once cultivated but has not been cultivated for five years in succession is included in this category after the completion of five years.
- 4.4.8 *Fallow land other than current fallows*: This includes all land that was taken up for cultivation earlier but has not been cultivated for a minimum period of one year and a maximum period of five years.
- 4.5 *Current fallows*: Cultivable areas kept fallow during the current agricultural year. Any seeding area in the current agricultural year that has not been cropped within the same year is also treated as current fallow.
- 4.6 *Net area sown*: This represents the total area sown with crops and orchards. Areas sown more than once in the same year are counted only once.
- 4.6.1 *Total cropped area*: Total cropped area represents the total area covered with crops i.e. the sum total of the area covered by all the individual crops. The areas sown with crops more than once during the same year are counted separately for each crop.
- 4.6.2 *Area sown more than once*: It includes the area on which crops are cultivated more than once during the agriculture year and is obtained by deducting the net area sown from the total cropped area.

Average holding size 2015-16

Production of food-grains/Other food/Non-food crops during 2023-24

Patent of products by State Agriculture Universities as on March, 2024

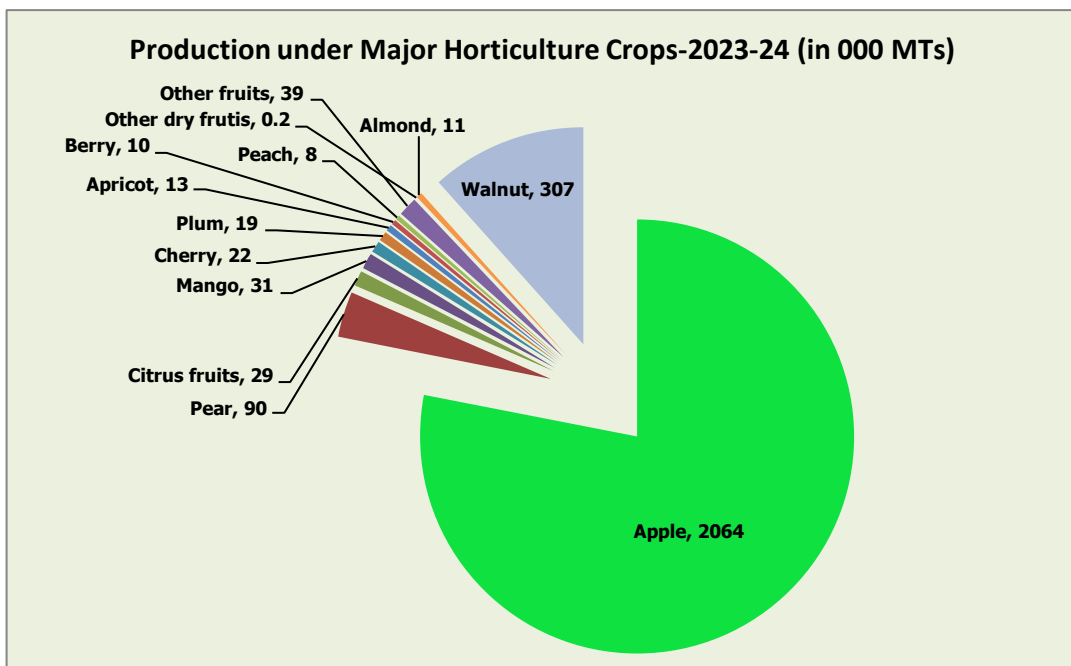

S.No.	Name of Agriculture University	Title of Patent	Date of Grant
1	2	3	4
1	SKUAST-Jammu & RRL (IIIM), Jammu	Biotransformation process for the preparation of Diosgenin from Dioscin.	20-11-2019
2	SKUAST-Jammu & NIT, Roorkee	Ready to Use PVA- PVP Based Patch for wound dressing and tissue Engineering applications	31-08-2020
3	SKUAST-Jammu	Pharmaceutical composition with synergistic combination of Thymus serpyllum essential oil and antibiotic	03-09-2021
4	SKUAST-Jammu	Device to Monitor Growth and Identify Disease of a Plant	12-09-2023
5	SKUAST-Jammu	Isolation of Fraction with prebiotic activity from rumen liquor	20-07-2023
6	SKUAST-Jammu	IOT Based Solar Powered Agriculture Robot	30-10-2023
7	SKUAST-Jammu	Agricultural Drone for Crop Health Monitoring	23-08-2023
8	SKUAST-Jammu	Surfactant Aided Improved Methodology of Urea-Ammonization of Straw	16-01-2024
9	SKUAST-Kashmir	Detection of DNA Polymorphism on polyacrylamide gel and method thereof	06-03-2023
10	SKUAST-Kashmir	Low cost temperature controlled pyrolyser with Heater cum-cooker	14-06-2023
11	SKUAST-Kashmir	A smart farming unit for saffron flower & corn Production	28-06-2023
12	SKUAST-Kashmir	Rubber tracked walking tractor	22-11-2023
13	SKUAST-Kashmir	Comprehensive, automatic in-shelled walnut processing system and an application method thereof	23-11-2023
14	SKUAST-Kashmir	Nucleotide sequences for improving tolerance of plants to environmental stress	18-12-2023
15	SKUAST-Kashmir	Solar Powered Insected trap lighting device	05-01-2024
16	SKUAST-Kashmir	Nutritional Herbal Compound/Extract and its Method of Preparation	15-01-2024
17	SKUAST-Kashmir	Smart Fishing Rod	19-01-2024
18	SKUAST-Kashmir	Portable Kiwi Gummy Maker Machine	01-02-2024
19	SKUAST-Kashmir	Rain Water Harvesting with zero energy	02-02-2024
20	SKUAST-Kashmir	An Improved Multifunctional Power Operated High Efficiency Walnut Dehuller-cum-washer	06-02-2024
21	SKUAST-Kashmir	An Improved Pre-Conditioning Method of Walnut Cracking for Value Addition of Kernels	09-02-2024
22	SKUAST-Kashmir	Mountflex Portable Sanitizer Dispenser with Flexstand	17-02-2024
23	SKUAST-Kashmir	Mushroom structure for production of mushroom under Cold Arid Conditions	12-03-2024
24	SKUAST-Kashmir	High Efficiency Electric Walnut Grading Machine	13-03-2024

V- HORTICULTURE

- 5.1 **T**he Horticulture sector contributes significantly to the economy of Jammu and Kashmir and is a major source of livelihood. About seven lakh families are directly or indirectly involved with the Horticulture Sector in the UT of Jammu and Kashmir. The favourable agro-climatic conditions enhance the horticulture potential, thereby making it a major export industry in the UT of Jammu and Kashmir.
- 5.2 The major fruits grown in the UT of Jammu and Kashmir are apple, walnut, almond, pear, mango, cherry, apricot, peach, plum etc. Kashmiri apple is famous both in taste and appearance. It has gained fame in the export market and fetches good return. The major vegetables grown in the state are onion, potato, tomato, turnip, mutter, radish, carrot, green vegetables and spices like chilies, garlic, turmeric etc.
- 5.3 The Horticulture is a key area where emphasis on number of schemes and programmes has led to income and employment generation for the fruit growers and manpower engaged in the sector.
- 5.4 The chapter contains data provided by the Agriculture Production Department (Horticulture unit) J&K on the area under major horticulture crops, production, availability & distribution of fruit plants, provision of plant protection machinery, month wise import / export of fruits and vegetables, mandi-wise fruit exported, mandies linked to e-mandies (e-Nam), infrastructure availability in mandies & Cold storage unit in UT of J&K.

Break up of major horticulture crops and production of fruits/dry fruits for the year 2023-24 is depicted below:

VI- FLORICULTURE

- 6.1 **F**loriculture sector has immense potential in UT of Jammu and Kashmir. This is a key sector for promoting tourism and generating employment owing to the ever-growing demand for flowers in domestic and international markets. The department has taken various initiatives for the benefit of the flower growers.
- 6.2 The Floriculture, Gardens and Parks Department is focusing on the development and popularization of ornamental and recreational floriculture and also generate direct and indirect employment opportunities in UT of Jammu and Kashmir. Development of new parks, beautification of existing parks/ gardens, restoration, preservation and maintenance of heritage gardens are the major activities of the department.
- 6.3 This chapter presents district-wise and year-wise data on the number of parks, area under floricultural activities, revenue realized and production of flowers and their values.

Source: 1. Director General, Floriculture, Parks & Gardens Kashmir/Jammu
2. Floriculture, Parks & Gardens Department J&K

Note: In 2022-23-decrease in production in r/o of Kashmir Division due to low shelf life of flowers and meagre funding under CSS.

VII-FISHERIES

- 7.1 **T**he UT of Jammu and Kashmir has immense diversity in terms of water resources, high altitude lakes, rivers, springs and cold water streams. These water sources have huge potential for the development of fisheries in the UT of Jammu and Kashmir.
- 7.2 The Department of Fisheries, as a part of its mandate, has developed farms for trout and carps, hatcheries, rearing units, sale centres, laboratories, angler lodges and aquarium cum awareness centres in all the regions of UT of Jammu and Kashmir. Fish farming has also been successfully introduced in the private sector and a number of fish ponds/trout units have been established under UT and Centrally Sponsored Schemes.

VII-FISHERIES

VIII- LIVESTOCK, SHEEP AND ANIMAL HUSBANDRY

- 8.1 **T**he rural population in UT of Jammu and Kashmir is primarily engaged in agricultural and allied activities, making sustainable growth of the livestock and poultry sector essential for nutritional/food security and economic prosperity of UT of Jammu and Kashmir.
- 8.2 The Department of Animal and Sheep Husbandry is entrusted with the production, protection and improvement of livestock, dairy and poultry. The activities undertaken by the department are related to:
- Development of the infrastructure required for improving animal productivity in the UT of Jammu and Kashmir;
 - Promotion of infrastructure for handling, processing and marketing of milk and milk products; and
 - Preservation and protection of livestock by providing a strong healthcare system.
- 8.3 This chapter presents data on population, functioning of livestock/sheep breeding centres and farms, its health coverage, production of milk, egg, meat, poultry farms and fodder production.

IX-COOPERATIVES

- 9.1 **C**ooperative is an autonomous association of persons united voluntarily to meet their common economic, social, and cultural need and aspiration through a jointly-owned and democratically-controlled enterprise.
- 9.2 The guiding principle of cooperative commercial entities is "Each for all and all for each", with 'morality applied to business' being a key facet of the nature of cooperation. Cooperatives play a pivotal role in influencing the attitude of the general populace towards social and economic change and offer limitless opportunities for participation in economic activities.
- 9.3 Since 1951, the cooperative sector has grown leaps and bounds in terms of its size, operational scale and level of diversification. The cooperative department of the state has been actively engaged in the registration of cooperative societies undertaking various economic activities related to agriculture, dairy, poultry, housing, education, consumer business, banking, micro-lending, transport etc. The cooperative banks and credit societies have empowered farmers to use better agricultural inputs with the provision of short, medium and long term credit and in the procurement of surplus produce.
- 9.4 This chapter provides district-wise data of registered cooperative societies, membership status, loans advanced, amounts overdue and paid up share capital etc. of central co-operative banks and credit societies.

XI-VITAL STATISTICS

- 11.1 **C**ivil Registration i.e. the registration of births and deaths is compulsory under the law for every individual of the state. The scheme is implemented in the state as a part of All India Operation by the multi-disciplinary network of functionaries associated with it, under the provisions of the Registration of Births and Deaths Act 1969. Vital Statistics are the basis for planning, Monitoring and Evaluating various programmes such as those dealing with primary health care, social security, family planning, maternal and child health (MCH), nutrition, education, public health etc.
- 11.2 In UT of Jammu and Kashmir, Director General, Economics and Statistics, J&K is the Chief Registrar of Births and Deaths. At Regional level, Regional Director, Evaluation and Statistics, Jammu/ Kashmir are the Additional Chief Registrars. At the district level, Chief Medical Officer and District Statistics and Evaluation Officer are the District Registrar and Additional District Registrar respectively.
- 11.3 Consolidation of statistics on civil registration is done by the Directorate of Economic and Statistics.
- 11.4 This chapter presents year-wise data on registered birth and death events and Infant Mortality Rate(IMR) as per the Sample Registration Scheme for the state/UT along with its comparison with other states/UTs.

XII-EDUCATION

- 12.1 **I**nclusive and quality education is crucial for keeping up with the evolving socio-economic and cultural trends. Spread of education in the state has made significant progress during the past decade and considerable education facilities are made available in remote, hilly and backward areas. Besides, mobile education institutions have been provided for nomadic population of Gujjars and Bakarwals.
- 12.2 Samagra Shiksha is an integrated scheme which subsumes three schemes i.e. Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE). The scheme has been implemented w.e.f. 01-04-2018 with the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes.
- 12.3 Unified District Information System for Education (UDISE) initiated in 2012-13 is one of the largest Management Information Systems on School Education covering more than 1.5 million schools, 8.5 million teachers and 250 million children. UDISE+ (UDISE plus) is an updated and improved version of UDISE and will gradually move towards collecting data in real time.
- 12.4 J&K Higher Education Department is controlling all the higher education institutions of Jammu and Kashmir including universities and colleges.
- 12.5 This chapter presents data on the number of educational institutions, students on roll, trained/un-trained teachers, Pupil-Teacher Ratio (PTR), Institution-Pupil Ratio (IPR), Stage-Wise Enrolment (SWE), Intake/Out-turn of Professional/technical institutions and board/university examination results.

Source: Skill Development Deptt, J&K

Note: Number of students on roll is less than the actual intake due to a significant drop out rate of about 10-12% as some of the trainees leave their courses mid-session, often choosing to pursue higher studies. Additionally, the registration portal closes as per the Training Calender of the DGT, MSDE GOI resulting in vacant seats.

XIII-POWER

- 13.1 **T**he sustainability of the economy is dependent on availability of energy. An increase in demand for power is directly linked with the growth of the economy, modernization, industrialization, improvement in basic amenities and better quality of life. The UT of Jammu and Kashmir is endowed with significant hydel potential which, when exploited fully, will provide a strong impetus to the growth of its economy.
- 13.2 The Power Development Department has the mandate for the generation, transmission & distribution of electricity in the UT of J&K. The generation sector is looked after by J&K State Power Development Corporation Ltd. (JKPDCL) which was carved out of Power Development Department in 1995.
- 13.3 For making the power sector efficient and competitive, reforms in this sector have been carried out. The purchasing sector is looked after by CE (Trading), J&K Power Corporation Ltd. and distribution sector is looked after in Jammu region by CE (distribution) Jammu Power Development Corporation Ltd. and for Kashmir region by CE (distribution) Kashmir Power Development Corporation Ltd. Although progress has been made, but available hydel potential in the UT of Jammu and Kashmir is required to be fully harnessed to meet out the shortfall. Efforts are on foot for exploring the available potential.
- 13.4 This chapter presents data on Installed capacity of power, power generation, purchased, sold and revenue realized by the department. Further, Data on electrification of villages for the year 2023-24 is mentioned in the chapter.

XIV-ROADS AND BUILDINGS

- 14.1 **A**n extensive and effective road network is vital for socio-economic development of Jammu and Kashmir. Its topographical limitations envisage continuous investment in this sector to build road network for balanced development of all areas in the region and provide impetus to growth in strategic locations.
- 14.2 The Pradhan Mantri Gram Sadak Yojna, which is 100% centrally sponsored scheme, was launched in the country including J&K in December 2000. The objective of the PMGSY programme is to provide all-weather road connectivity to unconnected villages.
- 14.3 This chapter presents district-wise data on road length maintained by various departments, Rates of building material in the public sector, wage rates of building construction workers of public sector and the number of villages connected through road network.

XV-JAL SHAKTI (PUBLIC HEALTH ENGINEERING)

15.1 **T**he Jal Shakti (PHE) Department is primarily responsible for providing adequate potable water supply to the general public through an efficient pipe network and tankers, maintaining the water supply installation, and identifying sources for augmentation of water supply system in Jammu and Kashmir to meet future demand.

15.2 This chapter presents data on coverage of villages / habitations with piped water supply, households having access to safe drinking water (rural & urban), number of tubewells/dugwells in each district and coverage of schools/anganwadis institutions with tap water connection.

XV-JAL SHAKTI (PUBLIC HEALTH ENGINEERING)

XVI-IRRIGATION

- 16.1 **I**rrigation is a critical input which allows farmers to significantly reduce their dependence on erratic monsoon and obtain adequate production in both Kharif and Rabi seasons.
- 16.2 The major source of irrigation in the UT of Jammu and Kashmir is canal irrigation. Canals, which are locally called as Kuls, account for about 84% of the total irrigated area. The major area falls under command of canal irrigation. The office of the Financial Commissioner (Revenue) provides statistics on irrigation activities in the UT of Jammu and Kashmir.
- 16.3 This chapter contains data on crop wise distribution of net as well as gross irrigated area by source along with a district wise breakup of the same.

XVI -IRRIGATION

XIX-INDUSTRIES AND COMMERCE

- 19.1 **T**he development of Industrial sector is a key for providing employment opportunities to the UT of Jammu and Kashmir's unemployed population. The UT of Jammu and Kashmir has strived to accelerate the process of industrial development and has made substantial progress during the last few decades.
- 19.2 The Government of India has notified the new Central Sector Scheme for Industrial Development of UT of Jammu and Kashmir on 19.02.2021 to attract capital investments in J&K. The Scheme provides four types of incentives namely i) Capital Investment ii) Capital Interest Subvention iii) Goods and Services tax linked Incentive and iv) Working Capital Interest Subvention.
- 19.3 In order to boost Industrial Development in UT, the Government of J&K has also notified the J&K Industrial Policy, J&K Private Industrial Estate Development Policy and J&K Industrial Land Allotment Policy.
- 19.4 Moreover, UT of J&K is striving to achieve the objectives of Trade & Export policy (2018-28) such as, to enhance domestic trade volume, to encourage, promote & facilitate more investment in enterprises, to provide employment opportunities to the educated unemployed & skilled youth in the field of trade & commerce and to create new markets and ancillary facilities through regional development plans.
- 19.5 This chapter contains data pertaining to industrial activities regarding number of units registered and employment generated with the Khadi & Village Industries Board, Sericulture activities, Major and Minor Minerals, Geology and Mining, Handicraft and Handloom sectors, registered factories, loans advanced by J&K and Ladakh Finance. Besides, number of excise shops, octroi posts and toll posts in each district, vehicular traffic passing through the toll posts and number of shops/establishments in the UT of J&K.

XX-FOREST

20.1 **T**he forests of UT of Jammu and Kashmir exhibit wide range of diversity from subtropical to temperate and alpine. Forests play a multi-dimensional role in preserving ecosystem, conservation of biodiversity, soil and catchment areas of the Himalayan rivers. Forests, being the largest land based resource, also play a pivotal role in supporting livelihood of the local population of UT of Jammu and Kashmir.

20.2 The forest of UT of Jammu and Kashmir with an area of 20,194 square kilometers constitutes (12066 sq km in Jammu Region, 8128 sq km in Kashmir Region) constitutes 47.81% of the effective geographical area in UT of J&K.

20.3 Definitions:

- **Coniferous Forests:** Coniferous forest, vegetation composed primarily of cone-bearing needle-leaved or scale-leaved evergreen trees like Pines, spruces, firs and larches etc found in areas that have long winters and moderate to high annual precipitation. Forests with minimum 80% of the area under coniferous trees are known as coniferous forests.
- **Non-Coniferous Forests:** Non-coniferous trees have broad leaves, which may be very narrow rather than needles or scales, can be deciduous or evergreen depending on the tree's native region (i.e. temperate vs. tropical) like oak, beech, birch, poplar, walnut, cherry, apple and olive etc. Non-Coniferous Forests are forests where at least 80% of the total area is covered by non-coniferous tree species.
- **Reserved Forests:** Reserved Forests are the most restricted forests and are constituted by the State Govt. on any forest land. Forests which are permanently dedicated to the production of timber or for some other specific purpose. Grazing and cultivation is rarely allowed in such forest areas.
- The chapter presents forests area and revenue realized from out turn of major and minor forest produce

XXI-SOCIAL WELFARE

21.1 **W**elfare measures for under-privileged and vulnerable sections of the society are essential for ensuring growth and justice. The Social Welfare Department has the responsibility to safeguard the educational and economic interests of the weaker sections and in particular of the Scheduled Castes and Scheduled Tribes. In conformation with these objectives, the Jammu and Kashmir Government is making sustained efforts to remove the socio-economic disparities against the weaker section in general and backward classes in particular

21.2 This chapter caters the information about the operational mechanism available at various levels in Jammu and Kashmir along with steps taken for the development of weaker sections including children and women. Details of Incentives by way of scholarship to the pre and post-matric students of backward classes, data on financial assistance under Pradhan Mantri Matru Vandana Yojana (PMMVY) and Ladli Beti Scheme under the purview of Social Welfare Department are also contained in the chapter. Besides, data on the number of Integrated Child Development Scheme (ICDS) Projects and Anganwari Centers available in Jammu and Kashmir and their district composition for the year 2023-24 are also reflected in the chapter.

XXII-FOOD, CIVIL SUPPLIES & CONSUMER AFFAIRS

- 22.1 **T**he Department of Food, Civil Supplies & Consumer Affairs has the mandate for distribution of essential commodities viz. Rice, Wheat, Sugar, Kerosene Oil under the Public Distribution System.
- 22.2 The National Food Security Act, 2013 has been implemented in Jammu and Kashmir with effect from 1st of Feb, 2016. The objective of this act was to provide access to adequate quantities of quality food at affordable prices. The Department also plays an active role in managing the supplies of other essential commodities.
- 22.3 The Department of Food, Civil Supplies & Consumer Affairs is committed to protect the interest of the consumers in the UT of Jammu and Kashmir. The department has established the Consumer Redressal Agencies to redress the Consumer Grievances. The UT/State and District Consumer Councils have also been established under the Consumer Protection Act, 1987 to promote and protect the rights of the consumers.
- 22.4 Food rationing in UT of Jammu and Kashmir has helped in ensuring availability of uninterrupted supply of food grains to the general public, especially the BPL population.
- 22.5 This chapter presents data on year-wise import of food grains, rationed population and off-take of food grains from government depots.

XXIII-C.D., N.E.S. & REVENUE

23.1 **T**he strengthening of the Panchayati Raj Institutions (PRIs) plays a significant role in development of local planning, decision-making and supervision of various activities in the panchayats.

23.2 Panchayat Raj institutions have evolved with the backing of the 73rd Amendment to the Constitution of India. The Jammu and Kashmir government has accordingly empowered the Panchayats to implement various developmental schemes with adoption of the "Block" as the unit of development. The chapter presents data on district /block wise number of panchayats.

XXIV- EMPLOYMENT

24.1 **E**mployment exchanges were established at Srinagar and Jammu for registration of unemployed persons back in 1958-59. Since then the number of exchanges has gone up to 20. The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 was passed by the Parliament to make it compulsory for the establishments under Public and Private Sectors to notify vacancies to the nearest Employment Exchanges.

24.2 This chapter presents data on the number of employment exchanges, the registration and placements made and the qualification wise number of persons on the live register of the employment exchanges, besides, employment generated under different CSS & UT Sectors development schemes (CAPEX) and achievements made under Prime Minister Employment Generation Programme (PMEGP). During 2023-24, 2.02 lakh employment generated under different schemes.

XXV-BANKS, INSURANCE AND SAVINGS

- 25.1 **A** well-structured and efficient network of financial institutions helps to boost economic growth. Financial entities like banking institutions, insurance companies, mutual funds, venture capital funds, pension funds etc are all part of the vast financial market.
- 25.2 The financial sector of UT of J&K is dominated by banks which are meeting the financial requirements particularly of the un-organized sector and the self-employed in the micro and small business sectors. The institutional structure of banking in J&K consists of several institutions namely commercial banks, Regional Rural Banks and cooperative banks.
- 25.3 This chapter presents a consolidated picture of progress of banking in UT of J&K. It includes district-wise data on the total number of bank branches, deposits and advances of scheduled commercial banks as per the Reserve Bank of India and data on aggregate deposits and gross bank credit. The number of insurance policies issued by Life Insurance Corporation of India, number of policies sold by MetLife Limited and district-wise breakup of outstanding bank credit have also been incorporated in this chapter.

XVI-POST AND TELECOMMUNICATION

- 26.1 **T**elecommunication services are globally recognized as a driving force and have a significant influence in overall economic development.
- 26.2 The Indian postal network is the largest in the world with the majority of the post offices located in rural areas. Post offices in both urban and rural areas provide a range of basic postal services to the customers including banking and insurance services.
- 26.3 This chapter presents data on postal and telecommunication facilities available in J&K. Year wise data on telephone connections, number of cellular phones, number of head post offices, sub post offices, branch post offices and telegraph offices.

XXVII- TOURISM

- 27.1 **T**he tourism sector plays significant role in the socio economic development of the J&K economy. The UT of Jammu and Kashmir has immense tourism potential which has a strategic place in the economy of Jammu and Kashmir, as it accounts for almost 7% of the total GDP of Jammu and Kashmir. This Sector is a major source of employment, foreign exchange, infrastructure development and development of local handicraft and handloom industries.
- 27.2 The two regions of the Union Territory –Jammu and Kashmir have their unique potential for eco-tourism, adventure tourism, spiritual as well as pilgrimage tourism. Kashmir is known as, “Paradise on Earth” because of its unmatched scenic beauty and attractive landscapes. Jammu, also known as the “City of Temples” is an important destination for pilgrimage tourism. Tourism has a multiplier effect on income and employment generation and gives tremendous fillip to the overall economy.
- 27.3 The Department of Tourism is entrusted with overall planning and execution of schemes for the development, up gradation and improvement of tourism infrastructure in different parts of Jammu and Kashmir.
- 27.4 This chapter presents data on tourist footfall, number of domestic and foreign tourists, who made a trip to Kashmir valley, various tourist resorts and number of devotees coming for Shri Mata Vaishno Devi Yatra and Shri Amar Nath Yatra. The numbers of tourist huts, bungalows, hotels and restaurants in the UT of Jammu and Kashmir have also been captured in this chapter.

XXXII- STATE ECONOMY

32.1 **T**he Directorate of Economics and Statistics, J&K calculates the Gross State Domestic Product (GSDP) and Net State Domestic Product (NSDP) both at current & constant prices besides Per Capita Income.

32.2 State Domestic Product (State Income) is a measure in monetary terms, of the volume of all final goods and services produced in an economy during a given period of time. The State Income and related estimates are the indicators of economic performance. A uniform methodology devised by National Accounts Division (NAD), National Statistical Office (NSO), MoSPI, New Delhi is used to prepare the estimates for three sectors namely:

32.2.1- Primary Sector-

1. Agriculture and Allied activities which includes:
 - i. Crop;
 - ii. Livestock;
 - iii. Fishers and aquaculture;
 - iv. Forestry and logging; and
2. Mining and quarrying.

32.2.2- Secondary Sector-

1. Manufacturing;
2. Construction; and
3. Electricity, Gas, Water Supply and other utility services.

32.2.3- Tertiary Sector-

1. Transport, Storage, Communication and services related to broadcasting;
2. Trade, Hotels & Restaurants;
3. Financial Services;
4. Real Estates, Ownership of dwellings and professional Services;
5. Public Administration; and
6. Other Services.

32.3 The chapter presents Gross and Net State Domestic Product estimates at current and constant prices along with their sector wise percentage distributions.

Gross State Domestic Product of J&K at Current & Constant (2011-12) Prices

Per Capita GSDP of J&K at Current & Constant (2011-12) Prices

The constant estimates from 1980-81 to 1992-93 are on 1980-81 prices, from 1993-94 to 1998-99 are on 1993-94 prices, from 1999-00 to 2003-04 are on 1999-00 prices, from 2004-05 to 2010-11 are on 2004-05 prices and 2011-12 onwards are on 2011-12 prices.

XXXIII-GENERAL INFORMATION

PRICE

- 33.1 **T**he Consumer Price Index (CPI) measures the weighted average prices of a basket of consumer goods and services. It is calculated by taking price changes for each item in the predetermined basket of goods and averaging them. Changes in the CPI are used to assess price changes associated with the cost of living. The CPI is widely used statistics for identifying inflation/ deflation.
- 33.2 The Consumer Price Index for industrial workers and agricultural labourers are computed by Labour Bureau, Ministry of Labour Shimla, while as the consumer price Index for urban non-manual employees are computed by the Central Statistical Organization (CSO), Government of India. The Index is used for regulation of wages and dearness allowances of Central and State/UT Government employees.
- 33.3 This chapter presents data on consumer price index for Industrial Workers, Agricultural Labourers and Urban Non-Manual Employees. Additionally, indices for UT of Jammu and Kashmir in relation with other states/UTs, community-wise families registered with relief organization & assistance provided, sports participation under "Khelo India" at National level, grievance redressal, average air quality index and number of deaths due to natural calamities etc have also been provided.

ECONOMIC CENSUS

- 33.4 Data related to Economic Census conducted by the Central Statistical Organization in collaboration with Directorate of Economics and Statistics, J&K is also presented in this section.
- 33.5 This chapter gives information on establishments with important salient features and number of persons working in the establishments with the details of hired workers. The information on the number of establishments is classified into three broad categories i.e. Own Account Establishments (OAE), Non-Directory Establishments (NDE) and Directory Establishments (DE) with Rural-Urban divide.

OTHER VITAL INFORMATION

- 33.6 Information on registered migrant families for relief, wholesale / retail drug and food manufacturing units, Khelo India participation, sports infrastructure availability, average air quality index besides deaths due to natural calamities and public libraries has been reflected in this chapter.

Source: Census Deptt

* The population figures exclude population of the area under unlawful occupation of Pakistan and China where Census could not be taken. Area figures include the area under unlawful occupation of Pakistan and China. The area includes 78,114 Sq.km under illegal occupation of Pakistan, 5180 sq kms illegally Handed over by Pakistan to China and 37,555 sq kms under illegal occupation of China. Rural and urban area of Arunachal Pradesh also excluded due to non availability.

Revised area figures in two districts of Maharashtra are resultant due to jurisdictional change after census 2001 as given below-

District	Total	Rural	Urban
Jalna	7687.39	7581.23	106.16
Aurangabad	10137.61	9828.26	309.35

The town Gohpur falls under Gohpur and Helem sub-districts (District Sonitpur in Assam). Density of urban of Helem sub district could not be shown separately.

Area (23477.34 sq.km) not under any sub-district in Kachchh district (Rann of Kachchh) in state Gujarat.

The boundary of "Merangmen circle" (district Mokochung in Nagaland) could not be drawn due to technical difficulty. So, the area could not be derived.

The boundaries of Aquqnaqua Circle and Niuland Circle (district Dimapur in Nagaland) could not be drawn due to technical difficulty. So, the area of Niuland Circle is included in Aquqnaqua Circle.

One urban unit namely Srikalikapuram (CT) of Thiruvallur district (Tamil Nadu) with area 3.5 sq.km was included which was noticed after publication of PCA, therefore there is difference of 3.5 sq.km in this district and state level.

Population per sq. km is negligible in Sub- districts Mipi and Etalin (District Dibang Valley in Arunachal Pradesh)

Note:

1. The total area of India represents 'Geographical Area' supplied by Survey of India.

2. The State/District area figures are provided by Survey of India (except newly created and affected districts of J&K) and the Sub-District area figures are derived through digitalization method in ORGI.

3. Density has been worked out on comparable data.

4. Density for rural portion of Jammu & Kashmir has been worked out after excluding the entire area of the illegal occupied portion of Pakistan and China as its rural-urban breakup is not available.

(i) The same has also been done while working out the density of India.

(ii) Rural and Urban population of Arunachal Pradesh has also been excluded as Rural and urban area figures are not available.

5. Area figures in 6 districts (Koriya, Sarguja, Raigarh, Bilaspur, Durg and Bastar) of Chattisgarh revised by state authorities after publication of PCA 2011 India.

NA: Not available

*Poverty ratio for 2004-05 is based on Uniform Recall Period in which consumer expenditure data for all the items are collected from 30 day recall period.

- Poverty Ratio of Assam is used for Sikkim, Arunachal Pradesh, Meghalaya, Mizoram, Manipur, Nagaland and Tripura.
- Poverty line of Maharashtra and expenditure distribution of Goa is used to estimate poverty ratio of Goa.
- a) Poverty line of Himachal Pradesh & Expenditure distribution of Jammu & Kashmir is used to estimate Poverty ratio of Jammu & Kashmir
b) Poverty ratio of Himachal Pradesh is used for Jammu & Kashmir for 1993-94
- Poverty ratio of Tamil Nadu is used for Pondicherry and A&N Islands.
- Urban Poverty ratio of Punjab used for both rural and urban poverty of Chandigarh.
- Poverty line of Maharashtra and expenditure distribution of Dadra & Nagar Haveli is used to estimate poverty ratio of Dadra & Nagar Haveli.
- Poverty ratio of Goa is used for Daman & Diu.
- Poverty ratio of Kerala is used for Lakshadweep.
