MESSAGE

It gives me immense pleasure to note that the Directorate of Economics & Statistics, J&K is releasing the 50th edition of its annual flagship publication, titled **Digest of Statistics (2024-25).** This Golden Jubilee edition marks a significant milestone in the continuous endeavour to provide reliable and comprehensive statistical information for effective planning and development.

The systematic collection and compilation of statistical data, particularly with respect to various government schemes, serve as vital indicators to assess outcomes and measure the achievement of intended objectives. The *Digest of Statistics,* prepared by the Directorate, facilitates a deeper understanding of the economic activities undertaken by the government and the progress achieved across diverse sectors.

This publication presents extensive time series data on multiple dimensions of the economy, enabling researchers, policymakers, academicians, and other users to remain informed about the latest socioeconomic developments in the Union Territory of Jammu & Kashmir. The macro-level aggregates contained herein will provide valuable inputs for revisiting strategies and policies aimed at fostering development and enhancing the welfare of the people. With sound planning and sustained efforts, socio-economic indices will certainly continue to improve in the years ahead.

I extend my best wishes to the Directorate of Economics & Statistics, J&K for the successful release of this landmark edition and commend their dedication in bringing out this significant publication

MESSAGE

I am happy to know that the Directorate of Economics & Statistics, under the guidance of Planning, Development & Monitoring Department, is releasing its 50th edition of annual publication titled "Digest of Statistics".

Over the years, this Publication has established itself as an invaluable resource, providing a detailed and reliable overview of the socio-economic landscape of Jammu and Kashmir and serves as an important reference for planners and policymakers in identifying priority areas requiring focused intervention. The Publication continues to meet the needs of a wide range of users by presenting key information related to the economy of Jammu & Kashmir.

Further, the Digest of Statistics offers essential inputs on major macro- economic aggregates, supporting informed policy formulation for the development of the Jammu and Kashmir and the welfare of its people. With sustained efforts and well-planned initiatives, the socio-economic indicators are expected to show continued improvement in the coming years.

I commend the Directorate of Economics & Statistics, J&K, and all other concerned departments/agencies for their dedicated efforts in bringing out this important edition. This collaborative effort will ensure that the subsequent publications of the Digest of Statistics are even more comprehensive and beneficial for all users.

I extend my best wishes to the Directorate of Economics & Statistics for success in this commendable venture and look forward to further improvements in data coverage and content in future

(Omar Abdullah)

Atal Dullo, (IAS)

MESSAGE

It gives me great pleasure to note that the Directorate of Economics & Statistics, Jammu & Kashmir is releasing the 50th edition of the Digest of Statistics for the year 2024–25. This Golden Jubilee edition marks five decades of statistical excellence and presents a comprehensive overview of the socio-economic profile and developmental progress of the Union Territory.

Over the years, the Digest has served as a trusted resource for policymakers, researchers, and stakeholders. The current edition continues this legacy, offering enriched datasets across a wide spectrum of economic indicators and development metrics. Its precise and comprehensive data aids in formulating strategies that address the unique developmental challenges of our region, thereby promoting growth and enhancing the welfare of our people.

The Directorate of Economics & Statistics has once again demonstrated its unwavering commitment to data excellence. Their efforts to incorporate emerging trends and integrate feedback from source agencies ensure that each edition is more relevant and beneficial than the last. I urge all source agencies to continue their invaluable support and timely feedback, so that future editions may be even more informative and impactful.

On this remarkable milestone, I extend my heartfelt congratulations and appreciation to the Director General, Economics & Statistics, J&K, and her dedicated team for their outstanding achievement in bringing forth the 50th edition of the Digest of Statistics.

(Atal Dullo), IAS

Dr. Ashish Chander Verma, IAS

Govt. of Jammu & Kashmir

FOREWORD

It is a matter of great satisfaction to note that the Directorate of Economics & Statistics, Jammu & Kashmir, as the designated Nodal Agency, continues to effectively coordinate statistical activities across the Union Territory. The dissemination of development related information in a systematic and timely manner remains central to its mandate. The Directorate has made commendable progress in developing and regularly updating a reliable database, thereby enabling planners and policymakers to formulate informed and effective development strategies.

Since its inception, the Directorate has consistently published its flagship annual document, the Digest of Statistics, which offers a comprehensive abstract of the economic development scenario supported by time-series data. Over the years, this publication has become a trusted resource among its users for its rich and valuable data content. The current edition, the 50th in the series for the financial year 2024-25, marks a significant milestone. It not only presents detailed insights into the Union Territory's socio-economic progress but also provides comparative analysis of key indicators vis-a- vis other States/UTs and the national level.

I am confident that this golden jubilee edition will continue to meet the expectations of data users and serve the evolving needs of planners, policymakers, and researchers. I extend my sincere appreciation to the Director General, Economics & Statistics, J&K, and her dedicated team for their tireless efforts in bringing out this landmark publication contributing to the strengthening of the statistical ecosystem in the Union Territory.

Economics & Statistics,
J&K

PREFACE

The *Digest of Statistics* 2024-2025 has, for five decades, remained a cornerstone of evidence-based planning and development in Jammu & Kashmir. The 2024–25 issue marks the 50th edition of this distinguished series, a milestone that reflects our enduring commitment to provide reliable and authoritative statistical information across diverse sectors of the economy.

Over the years, sustained efforts have been made for user-friendly publication, expansion of its coverage, and refine its content to meet the evolving requirements of policymakers, researchers, academicians, and other stakeholders. The growing demand for the *Digest* underscores its relevance and practical utility in bridging data gaps and strengthening the statistical system—an indispensable foundation for effective governance and development.

We extend our sincere gratitude to the UT and Central Government departments, autonomous institutions and agencies for their sincere cooperation in supplying the requisite data and valuable feedback. We also place on record our appreciation for the dedicated officers and officials of this Directorate, whose commitment and hard work have made this golden jubilee edition possible.

As we celebrate this landmark achievement, we remain steadfast in our resolve to continuous improvement and enriching future editions of the *Digest of Statistics*. Suggestions for further enhancement and improvement are welcomed and will be duly acknowledged.

(Satvir Kour Sudan)

34.08	State-Wise Length of National Highways	601
34.09	State-Wise Ease of doing Business Rank	602
34.10	State Wise Health Infrastructure-Doctors and Specialists-2021	603-604

I- AREA AND POPULATION

1.1 Area and population are closely interlinked. The data of Area and Population is analysed on the indicators like density of population, number of females per 1000 males/sex ratio, work participation rate, urbanization process etc. As per the census figures of 2011, the area of J&K indicate that Jammu and Kashmir is the 6th major state amongst the States and Union Territories of the country with an area of 222236 sq. kms (including area under illegal occupation of Pakistan and China).

1.2 To ascertain the impact of public spending across different demographic and socio-economic strata and to make it vibrant and target oriented, the process of conducting a decadal population census in Jammu and Kashmir was initiated in 1873. Census operations adhering to the principles and instructions laid down by the Government of India were conducted between 1911 and 1941. The census operations were regularly conducted in 1961, 1971, 1981, 2001 and 2011, as a part of the All India Census with the exception of the years 1951 and 1991 when the conditions in the state were not conducive.

1.3 Prior to the year 1921, due to a number of famines and epidemics, the population of the state grew at a slow rate. After 1921, the population increased steadily, from 29.46 lakhs in 1941 to 32.54 lakhs in 1951. During 1961-71, the population of the state saw a jump of 10.56 lakhs, climbing from 35.61 lakhs in 1961 to 46.17 lakhs in 1971 and 59.87 lakhs in 1981.

1.4 As per the census figures of 2011, the population of the state stands at 125.41 lakhs (66.41 lakh males (52.95%) and 59.01 lakh females (47.05%). The decadal growth rate of population during 2001-2011 was 23.64%. The census figure of 2011 indicates the overall sex ratio of 889 females per thousand males.

1.5 Economic classification of population reveals that 34.47 percent of the population is a part of the workforce. The overall literacy rate is 67.16 percent (males 76.75% and females 56.43 %).

1.6 Based on the decadal population census, this chapter contains data regarding the area and population, sex ratio, population density, the number of villages and towns, population breakup by religion and caste, rural-urban breakup of population and the occupational classification of the workforce, amongst other things.

1.7 As per the census figures of 2011, **the bifurcated population of the UT of Jammu & Kashmir stands at 122.67** (64.84 lakh males (52.85%) and 57.83 lakh females (47.15%) with an area of 42241 Sq Km. The census figures of 2011 indicates the overall sex ratio of 892 females per thousand males.

II-HOUSING

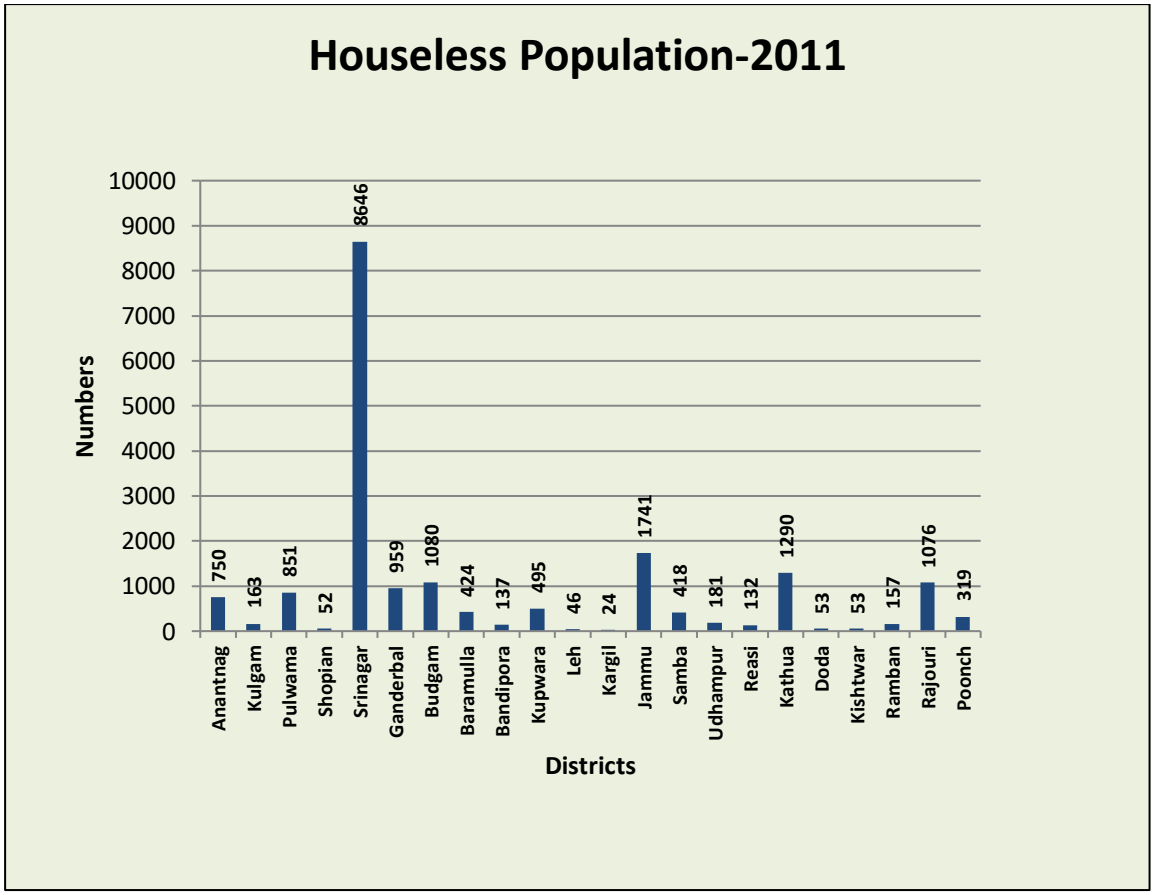
2.1 This chapter contains data on housing conditions in the state according to the census of 2001 and 2011. District-wise breakup comprises of houses classified by use and by condition, occupied residential houses and household size, the magnitude of houseless and institutional population and distribution of households by type of census house.

2.2 As per the census of 2011, the total number of households in the UT of J&K is 1976099. The average household size is 6.5 and is slightly higher in urban areas (6.9) compared to rural areas (6.4).

2.3 54.47% of the houses are in good condition, 41.61% houses are in liveable condition and 3.92% of the houses are in dilapidated condition in UT of J&K as per Census 2011.

2.4 The share of Houseless population to the total population in UT of J&K is 0.15% as per the census of 2011.

2.5 3,50,448 houses constructed /grounded under Housing for all-PMAY Scheme ending 2024-25. Further, all the households of the UT of J&K have access to improved sanitation facility.



II-HOUSING

III-CLIMATE

3.1 The Regional Meteorological Centre at Srinagar provides details on temperature and rainfall. There are 12 designated stations maintained by the Meteorological Centre namely Srinagar, Pahalgam, Kukernag, Gulmarg, Qazikund, Kupwara, Jammu, Banihal, Kathua, Batote, Bhadarwah and Katra.

3.2 Definitions:

3.2.1 The "Actual Monthly" rainfall of the division for the year is the mean of the monthly rainfall of the available stations. The sum of actual monthly rainfall for the 12 months is the "actual annual" rainfall of the division for that year.

3.2.2 The monthly 'Normal Rainfall' of the division is the mean of "monthly rainfall" of the corresponding stations and annual normal rainfall is the sum of the rainfall for all the 12 months.

3.2.3 Rainfall received during previous 24 hours is recorded at 8:30 hrs. (IST) at the rain gauge each day. A day recording rainfall of at least one tenth (1/10) of an inch is considered to be a rainy day.

3.2.4 The maximum and minimum temperature is recorded at the observatories at 8:30 hrs and 17:30 hrs. (IST).

3.3 The chapter has a set of four tables presenting data on the following:

a) Annual rainfall in Kashmir and Jammu divisions over the years;

b) Time Series data on mean maximum and mean minimum temperature;

c) Monthly mean relative humidity for Srinagar and Jammu centers and

d) District / month-wise rainfall.

IV-AGRICULTURE

4.1 Jammu and Kashmir is predominantly an agrarian economy. Nearly 70% population of the UT of Jammu and Kashmir is directly/indirectly dependent on the agricultural sector for its livelihood. Agricultural development is instrumental in enhancing farmer's income and employment opportunities. It is imperative to adopt strategies aimed at increasing and diversifying production of crops.

4.2 This chapter covers the pattern of land utilization & operational holdings, area under different crops, distribution of fertilizers, production and yield rate of crops. The primary sources of agricultural statistics are the Agriculture Statistics Returns and the crop forecasts prepared by the Financial Commissioner, Revenue, J&K which is the nodal agency for collection, compilation of Agriculture Statistics in the State.

4.3 The concepts and definitions used are the same as prescribed by the Union Ministry of Agriculture & Farmers Welfare.

4.4 Definitions:-

4.4.1 *Area according to village papers*: The reported area or the cadastral surveyed area i.e. the area for which data on land use classification is available. The estimates of the reported area are prepared by the village patwari and is different from the total geographical area of the state, as the Revenue Department does not maintain the record of the areas which are not fit for habitation. The reported area does not include the area maintained by the Forest Department.

4.4.2 *Forests*: Includes barren-land forests viz. the forests falling outside the forest area demarcated by the Forest Department for maintenance.

4.4.3 *Land put to non-agricultural uses*: Includes land occupied by buildings, rivers and canals, and land that is being used for purposes other than agriculture.

4.4.4 *Barren and un-cultural land*: This includes all barren and un-cultural land like mountains, desert etc. This category also includes land that cannot be brought under cultivation without an exorbitant investment.

4.4.5 *Permanent pastures and other grazing lands*: All grazing land, whether or not a permanent pasture or meadows and also includes common grazing

land in the village.

4.4.6 *Land under miscellaneous tree crops, groves etc.*: This constitutes the cultivable land which is not included in net area sown but is put to some agricultural uses. For example, land containing thatching grasses, bamboo bushes and other groves for fuel etc., but not included under 'Orchards' fall in this category.

4.4.7 *Cultural Waste Land*: This includes land that was not cultivated during the current year and during the last five years or more (in succession), regardless of whether it was taken up for cultivation at some point or not taken up at all. Such land may be fallow or may be covered with shrubs and jungles that have not been put to any use. The land may be assessed or unassessed and may be in isolated blocks or within cultivated holdings. Land that was once cultivated but has not been cultivated for five years in succession is included in this category after the completion of five years.

4.4.8 *Fallow land other than current fallows*: This includes all land that was taken up for cultivation earlier but has not been cultivated for a minimum period of one year and a maximum period of five years.

4.5 *Current fallows*: Cultivable areas kept fallow during the current agricultural year. Any seeding area in the current agricultural year that has not been cropped within the same year is also treated as current fallow.

4.6 *Net area sown*: This represents the total area sown with crops and orchards. Areas sown more than once in the same year are counted only once.

4.6.1 *Total cropped area*: Total cropped area represents the total area covered with crops i.e. the sum total of the area covered by all the individual crops. The areas sown with crops more than once during the same year are counted separately for each crop.

4.6.2 *Area sown more than once*: It includes the area on which crops are cultivated more than once during the agriculture year and is obtained by deducting the net area sown from the total cropped area.

Table No. 4.21(Contd.)

Patent of products by State Agriculture Universities

S.No.	Name of Agriculture University	Title of Patent	Date of Grant
1	2	3	4
1	SKUAST-Kashmir	Identification of Cashmere (Pashmina) fibre from processed texitle products by PCR-based technique	02-07-2020
2		"Table Top Paddle Operated NAIP Charkha for Cashmere (Pashmina fibre)	11-02-2021
3		Mistletoe Eradicator	08-07-2020
4		A method to prepare a growth medium for mass production of trichoderma bio-fungicide under liquid fermentation	13-10-2022
5		AI driven farm management system and breeding tool (Smart Sheep breeder)	01-09-2020
6		Estimation of mineral oil residues in soil and apple fruit by gas chromatograph with flame ionization detection (GC-FID)	29-10-2021
7		Novel method for hydrolysing keratinous waste and use thereof	22-12-2021
8		Urkunde (A System to detect and prevent Cydiapomonellagranulovirus, CpGv an Indian strain infecting Cydiapomonella as biopesticide) (International Patent)	23-06-2022
9		Low-cost temperature controlled pyrolyser with Heater cum-cooker	14-06-2023
10		A smart farming unit for saffron flower & corm Production	28-06-2023
11		Rubber tracked walking tractor	22-11-2023
12		Nucleotide sequences for imporving tolerance of plants to environmental stress	18-12-2023
13		Cashmir Biotech PVT Ltd	05-06-2024
14		PH Indicator and Method Thereof	25-07-2024
15		Nutritional Herbal compound / Extract and its method of preparation	15-01-2024
16		Solar Powered Insected trap lighting device	05-01-2024
17		An improved pre conditioning method of walnut cracking for value addition of kernels	09-02-2024
18		An improved multifunctional power operated high efficiency walnut dehuller cum washer	06-02-2024
19		High efficiency electric walnut grading machine	13-03-2024
20		Comprehensive, automatic in-shelled walnut processing system and an application method thereof	22-11-2023
21		Portable Kiwi gummy maker machine	01-02-2024
22		Smart fishing rod	19-01-2024
23		Rain Water Harvesting with zero energy	02-02-2024
24		Low cost mushroom structure design for production of mushroom under cold arid conditions	12-03-2024
25		A Novel Composition For Producing Bio Pesticides based on Trichoderma harzianum Chlamydospora and Pseudomonas florescence	26-03-2010
26		Process for commercial production of biopesticides	19-10-2010
27		Detection of DNA Polymorphism on Polyacrylamide gel and method thereof	06-03-2023
28		Shalimar hive 3	30-05-2024
29		Mount flex Portable Sanitizer Dispenser with Flex stand	24-05-2024
30		Automatic Feed system for Animals	12-02-2024

Patent of products by State Agriculture Universities

S.No.	Name of Agriculture University	Title of Patent	Date of Grant
1	2	3	4
31	SKUAST-Kashmir	Electromechanical Sensor Based Pruning Secateur	20-06-2024
32		Rooting Media for large scale Multiplication of various Apple Clonal Rootstocks	31-05-2024
33		Plant Uprooter and Transplanter	06-03-2022
34		Strategic Plan to operate Agri Incubation Centres	31-05-2024
35		Nanosorptive antimicrobial intrammary device for bovine mastitis prevention	07-03-2024
36		Solar Powered smart poultry brooder	29-03-2024
37		A spinning wheel of Knowledge	02-07-2024
38		AnAutomated Mushroom Compost Pasteurization Unit	21-08-2024
39		Dispersible Saffron Kehwa Tablets and a method of preparing thereof	07-11-2024
40		An Organic Fertilizer Preparation using Aquatic Weeds (DAL Weed) through Microbial Fermentation	29-10-2024
41		Composition of Natural Herbal Capsule using Carrots, Fenugreek, Bitter Gourd for Diabetes Care	26-09-2024
42		C2F Model: An Innovative Model Village Development Programme	22-11-2024
43		Nano Fungicidal Composition and Method Thereof	03-12-2024
44		Automated Fish Feed Optimization Device	22-11-2024
45		Vertical Cultivation System	04-12-2024
46		Un-Enhanced Forest Beetle Trap	01-12-2024
47		Load Carrying Device	13-12-2024
48		A Process of Isolating and culturing of primary mammary Epithelial Cells (PMECS) from Caprine and bovine raw milk comprising steps	23-12-2024
49		An Efficient and Quick RNA Extraction Method	31-12-2024
50		A Sod Cutter	23-12-2024
51		An autonomous spraying unmanned vehicle for orchards	14-01-2025
52		Electromechanical sensor based pruning secateurs with ratcheting mechanism to replace tools	23-01-2025
53		A method for preparing a Uni sexual as well as Bi sexual lure based stick trap and its composition thereof	27-01-2025
54		Eco friendly organic food business startup model: osmo dehydrate	27-01-2025
55		Winter proof mud houses for bees	22-01-2025
56		A Process for Preparing Lactobacillius based Recombinant Vaccine Candidate against Multiple Salmonella Servar in Poultry	11-03-2025
57		AI Based Harvesting Drone	11-03-2025
58		The first report of Ampelographic description of wild grape genotype in north western Himalayas	11-03-2025
59		Pictoral representation of training grapevine on a support system by an innovative method (KNIT)	11-03-2025
60		Benzothaizonle Piperazine Hybrids to Target C4-2 Catration Resistant Prostrate Cancer Cells	27-03-2025

V- HORTICULTURE

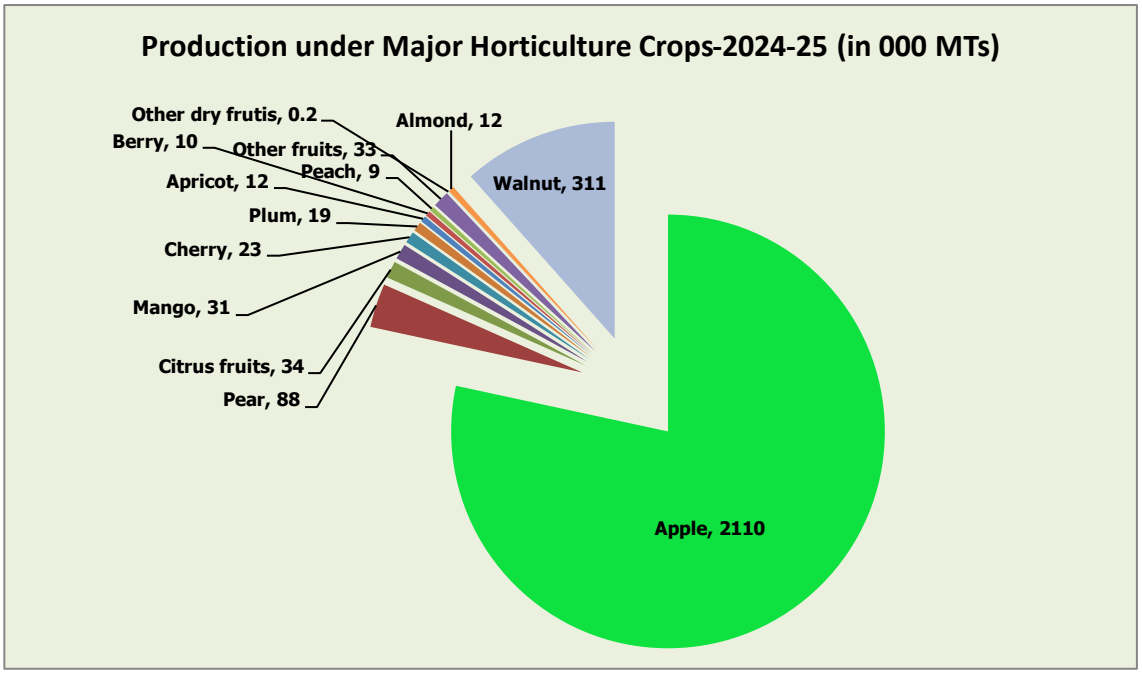
5.1 The Horticulture sector contributes significantly to the economy of Jammu and Kashmir and is a major source of livelihood. About seven lakh families are directly or indirectly involved with the Horticulture Sector in the UT of Jammu and Kashmir. The favourable agro-climatic conditions enhance the horticulture potential, thereby making it a major export industry in the UT of Jammu and Kashmir.

5.2 The major fruits grown in the UT of Jammu and Kashmir are apple, walnut, almond, pear, mango, cherry, apricot, peach, plum etc. Kashmiri apple is famous both in taste and appearance. It has gained fame in the export market and fetches good return. The major vegetables grown in the state are onion, potato, tomato, turnip, mutter, radish, carrot, green vegetables and spices like chilies, garlic, turmeric etc.

5.3 The Horticulture is a key area where emphasis on number of schemes and programmes has led to income and employment generation for the fruit growers and manpower engaged in the sector.

5.4 The chapter contains data provided by the Agriculture Production Department (Horticulture unit) J&K on the area under major horticulture crops, production, availability & distribution of fruit plants, provision of plant protection machinery, month wise import / export of fruits and vegetables, mandi-wise fruit exported, mandies linked to e-mandies (e-Nam), infrastructure availability in mandies & Cold storage unit in UT of J&K.

Break up of major horticulture crops and production of fruits/dry f**ruits for the year 2024-25 is depicted below:**



V-HORTICULTURE

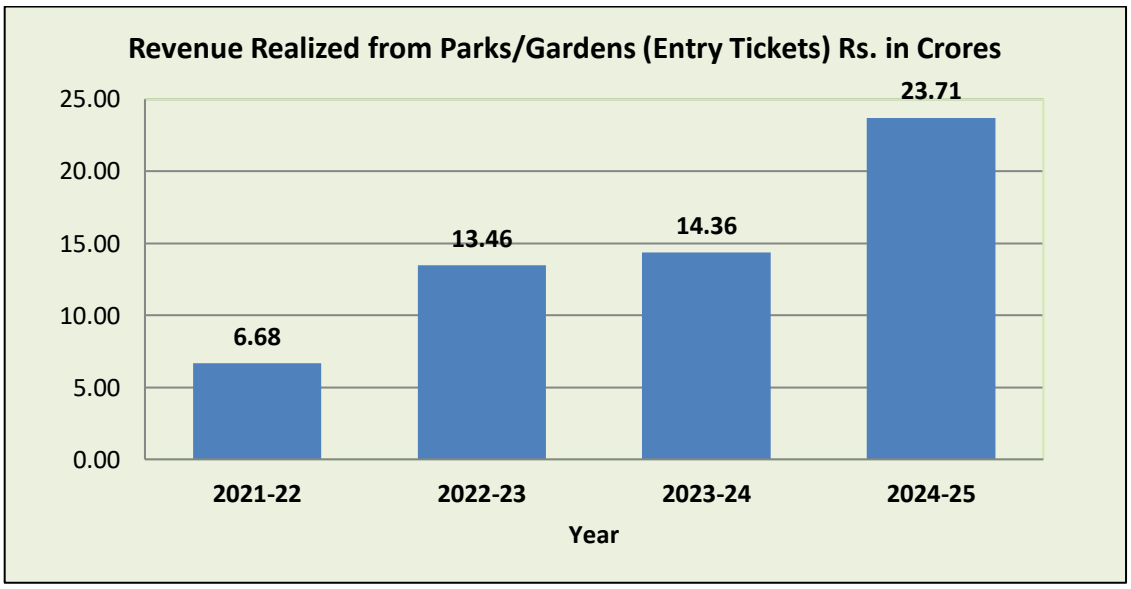
VI- FLORICULTURE

6.1 Floriculture sector has immense potential in UT of Jammu and Kashmir. This is a key sector for promoting tourism and generating employment owing to the ever-growing demand for flowers in domestic and international markets. The department has taken various initiatives for the benefit of the flower growers.

6.2 The Floriculture, Gardens and Parks Department is focusing on the development and popularization of ornamental and recreational floriculture and also generate direct and indirect employment opportunities in UT of Jammu and Kashmir. Development of new parks, beautification of existing parks/ gardens, restoration, preservation and maintenance of heritage gardens are the major activities of the department.

6.3 This chapter presents district-wise and year-wise data on the number of parks, area under floricultural activities, revenue realized and production of flowers and their values.



VI -Floriculture

Note: 1) In 2022-23-decrease in production in r/o of Kashmir Division due to low shelf life of flowers and meagre funding under CSS.

2) During 2024-25, farmers produced dry flowers only and did not extract the essential oil in Jammu Division.

VII-FISHERIES

7.1 The UT of Jammu and Kashmir has immense diversity in terms of water resources, high altitude lakes, rivers, springs and cold water streams. These water sources have huge potential for the development of fisheries in the UT of Jammu and Kashmir.

7.2 The Department of Fisheries, as a part of its mandate, has developed farms for trout and carps, hatcheries, rearing units, sale centres, laboratories, angler lodges and aquarium cum awareness centres in all the regions of UT of Jammu and Kashmir. Fish farming has also been successfully introduced in the private sector and a number of fish ponds/trout units have been established under UT and Centrally Sponsored Schemes.

VIII- LIVESTOCK, SHEEP AND ANIMAL HUSBANDRY

8.1 The rural population in UT of Jammu and Kashmir is primarily engaged in agricultural and allied activities, making sustainable growth of the livestock and poultry sector essential for nutritional/food security and economic prosperity of UT of Jammu and Kashmir.

8.2 The Department of Animal and Sheep Husbandry is entrusted with the production, protection and improvement of livestock, dairy and poultry. The activities undertaken by the department are related to:

- Development of the infrastructure required for improving animal productivity in the UT of Jammu and Kashmir;
- Promotion of infrastructure for handling, processing and marketing of milk and milk products; and
- Preservation and protection of livestock by providing a strong healthcare system.

8.3 This chapter presents data on population, functioning of livestock/sheep breeding centres and farms, its health coverage, production of milk, egg, meat, poultry farms and fodder production.

IX-COOPERATIVES

9.1 Cooperative is an autonomous association of persons united voluntarily to meet their common economic, social, and cultural need and aspiration through a jointly-owned and democratically-controlled enterprise.

9.2 The guiding principle of cooperative commercial entities is "Each for all and all for each", with 'morality applied to business' being a key facet of the nature of cooperation. Cooperatives play a pivotal role in influencing the attitude of the general populace towards social and economic change and offer limitless opportunities for participation in economic activities.

9.3 Since 1951, the cooperative sector has grown leaps and bounds in terms of its size, operational scale and level of diversification. The cooperative department of the state has been actively engaged in the registration of cooperative societies undertaking various economic activities related to agriculture, dairy, poultry, housing, education, consumer business, banking, micro-lending, transport etc. The cooperative banks and credit societies have empowered farmers to use better agricultural inputs with the provision of short, medium and long term credit and in the procurement of surplus produce.

9.4 This chapter provides district-wise data of registered cooperative societies, membership status, loans advanced, amounts overdue and paid up share capital etc. of central co-operative banks and credit societies.

XI-VITAL STATISTICS

11.1 Civil Registration i.e. the registration of births and deaths is compulsory under the law for every individual of the state. The scheme is implemented in the state as a part of All India Operation by the multi-disciplinary network of functionaries associated with it, under the provisions of the Registration of Births and Deaths Act 1969. Vital Statistics are the basis for planning, Monitoring and Evaluating various programmes such as those dealing with primary health care, social security, family planning, maternal and child health (MCH), nutrition, education, public health etc.

11.2 In UT of Jammu and Kashmir, Director General, Economics and Statistics, J&K is the Chief Registrar of Births and Deaths. At Regional level, Regional Director, Evaluation and Statistics, Jammu/ Kashmir are the Additional Chief Registrars. At the district level, Chief Medical Officer and District Statistics and Evaluation Officer are the District Registrar and Additional District Registrar respectively.

11.3 Consolidation of statistics on civil registration is done by the Directorate of Economic and Statistics.

11.4 This chapter presents year-wise data on registered birth and death events and Infant Mortality Rate(IMR) as per the Sample Registration Scheme for the state/UT along with its comparison with other states/UTs.

XII-EDUCATION

12.1 Inclusive and quality education is crucial for keeping up with the evolving socio-economic and cultural trends. Spread of education in the state has made significant progress during the past decade and considerable education facilities are made available in remote, hilly and backward areas. Besides, mobile education institutions have been provided for nomadic population of Gujjars and Bakarwals.

12.2 Samagra Shiksha is an integrated scheme which subsumes three schemes i.e. Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE). The scheme has been implemented w.e.f. 01-04-2018 with the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes.

12.3 Unified District Information System for Education (UDISE) initiated in 2012-13 is one of the largest Management Information Systems on School Education covering more than 1.5 million schools, 8.5 million teachers and 250 million children. UDISE+ (UDISE plus) is an updated and improved version of UDISE and will gradually move towards collecting data in real time.

12.4 J&K Higher Education Department is controlling all the higher education institutions of Jammu and Kashmir including universities and colleges.

12.5 This chapter presents data on the number of educational institutions, students on roll, trained/un-trained teachers, Pupil-Teacher Ratio (PTR), Institution-Pupil Ratio (IPR), Stage-Wise Enrolment (SWE), Intake/Out-turn of Professional/technical institutions and board/university examination results.

Source:Skill Development Deptt, J&K

Note: Number of students on roll is less than the actual intake due to a significant drop out rate of about 10-12% as some of the trainees leave their courses mid-session, often choosing to persue higher studies. Additionally, the registration portal closes as per the Training Calender of the DGT, MSDE GOI resulting in vacant seats.

XIII-POWER

13.1 The sustainability of the economy is dependent on availability of energy. An increase in demand for power is directly linked with the growth of the economy, modernization, industrialization, improvement in basic amenities and better quality of life. The UT of Jammu and Kashmir is endowed with significant hydel potential which, when exploited fully, will provide a strong impetus to the growth of its economy.

13.2 The Power Development Department has the mandate for the generation, transmission & distribution of electricity in the UT of J&K. The generation sector is looked after by J&K State Power Development Corporation Ltd. (JKPDCL) which was carved out of Power Development Department in 1995.

13.3 For making the power sector efficient and competitive, reforms in this sector have been carried out. The purchasing sector is looked after by CE (Trading), J&K Power Corporation Ltd. and distribution sector is looked after in Jammu region by CE (distribution) Jammu Power Development Corporation Ltd. and for Kashmir region by CE (distribution) Kashmir Power Development Corporation Ltd. Although progress has been made, but available hydel potential in the UT of Jammu and Kashmir is required to be fully harnessed to meet out the shortfall. Efforts are on foot for exploring the available potential.

13.4 This chapter presents data on Installed capacity of power, power generation, purchased, sold and revenue realized by the department. Further, Data on electrification of villages for the year 2024-25 is mentioned in the chapter.

Note: 1. Upto 2016-17, villages includes hamlets.

2. As conveyed by concerned source agency, during 2023-24, Unified Billing System (UBS) was under implementation stage in IT&C Division, JPDCL Jammu. Due to some software issues in the UBS data fetching from backend servers was erroneous. The same has been corrected during 2024-25 and UBS is fully operational. The above data for 2024-25 is conrrected and extracted from IT Core Division servers.

XIV-ROADS AND BUILDINGS

14.1 An extensive and effective road network is vital for socio-economic development of Jammu and Kashmir. Its topographical limitations envisage continuous investment in this sector to build road network for balanced development of all areas in the region and provide impetus to growth in strategic locations.

14.2 The Pradhan Mantri Gram Sadak Yojna, which is 100% centrally sponsored scheme, was launched in the country including J&K in December 2000. The objective of the PMGSY programme is to provide all-weather road connectivity to unconnected villages.

14.3 This chapter presents district-wise data on road length maintained by various departments, Rates of building material in the public sector, wage rates of building construction workers of public sector and the number of villages connected through road network.

XV-JAL SHAKTI (PUBLIC HEALTH ENGINEERING)

15.1 The Jal Shakti (PHE) Department is primarily responsible for providing adequate potable water supply to the general public through an efficient pipe network and tankers, maintaining the water supply installation, and identifying sources for augmentation of water supply system in Jammu and Kashmir to meet future demand.

15.2 This chapter presents data on coverage of villages / habitations with piped water supply, households having access to safe drinking water (rural & urban), number of tubewells/dugwells in each district and coverage of schools/ anganwadis institutions with tap water connection.

XVI-IRRIGATION

16.1 Irrigation is a critical input which allows farmers to significantly reduce their dependence on erratic monsoon and obtain adequate production in both Kharif and Rabi seasons.

16.2 The major source of irrigation in the UT of Jammu and Kashmir is canal irrigation. Canals, which are locally called as Kuls, account for about 84% of the total irrigated area. The major area falls under command of canal irrigation. The office of the Financial Commissioner (Revenue)provides statistics on irrigation activities in the UT of Jammu and Kashmir.

16.3 This chapter contains data on crop wise distribution of net as well as gross irrigated area by source along with a district wise breakup of the same.

XVIII- ROAD TRANSPORT

18.1 The UT of Jammu and Kashmir Government regulates road transport under the provisions of the Motor Vehicles Act. The department of Transport regulates tariff for different geographical locations.

18.2 The Transport Department is entrusted with the functioning of J&K Motor Vehicle Department, J&K State Motor Garages and J&K State Road Transport Corporation. Over the time, the number of vehicles plying on the roads has increased exponentially.

18.3 This chapter presents information on public and private road transport in UT of Jammu and Kashmir including the number of registered vehicles, data on the operational details of JKSRTC, number of licenses issued, number of road accidents, number of vehicles challaned and fine realized.

XIX-INDUSTRIES AND COMMERCE

19.1 The development of Industrial sector is a key for providing employment opportunities to the UT of Jammu and Kashmir's unemployed population. The UT of Jammu and Kashmir has strived to accelerate the process of industrial development and has made substantial progress during the last few decades.

19.2 The Government of India has notified the new Central Sector Scheme for Industrial Development of UT of Jammu and Kashmir on 19.02.2021 to attract capital investments in J&K. The Scheme provides four types of incentives namely i) Capital Investment ii) Capital Interest Subvention iii) Goods and Services tax linked Incentive and iv) Working Capital Interest Subvention.

19.3 In order to boost Industrial Development in UT, the Government of J&K has also notified the J&K Industrial Policy, J&K Private Industrial Estate Development Policy and J&K Industrial Land Allotment Policy.

19.4 Moreover, UT of J&K is striving to achieve the objectives of Trade & Export policy (2018-28) such as, to enhance domestic trade volume, to encourage, promote & facilitate more investment in enterprises, to provide employment opportunities to the educated unemployed & skilled youth in the field of trade & commerce and to create new markets and ancillary facilities through regional development plans.

19.5 This chapter contains data pertaining to industrial activities regarding number of units registered and employment generated with the Khadi & Village Industries Board, Sericulture activities, Major and Minor Minerals, Geology and Mining, Handicraft and Handloom sectors, registered factories, loans advanced by J&K and Ladakh Finance. Besides, number of excise shops, octroi posts and toll posts in each district, vehicular traffic passing through the toll posts and number of shops/establishments in the UT of J&K.

Source: 1) Geology & Minning Dept, 2) Industries & Commerce Dept, 3) JK Minerals ltd

Note:1). From 2019-20, data is in respect of JK Industries and JK Minerals only. Cement Plants of JK Cements and one marble unit of JK Minerals in Kupwara is presently non functional.
2). From 2022-23, Geology & Mining Dept has been added as source.
3). Increase in employment during 2024-25 is due to extensive mapping of Minor mineral based units i.e POP & Crusher/Hot wet mix plants and employment reflected is inclusive of all the direct and indirect employment associated with the Minor Mineral based units. Besides, decrease in production during 2024-25 is due to the suspension of 59 leases during the year and owing to the expiry of Environmental Clearance (EC) and Consent to Operate (CTO).

XX-FOREST

20.1 The forests of UT of Jammu and Kashmir exhibit wide range of diversity from subtropical to temperate and alpine. Forests play a multi-dimensional role in preserving ecosystem, conservation of biodiversity, soil and catchment areas of the Himalayan rivers. Forests, being the largest land based resource, also play a pivotal role in supporting livelihood of the local population of UT of Jammu and Kashmir.

20.2 The forest of UT of Jammu and Kashmir with an area of 20,194 square kilo meters constitutes (12066 sq km in Jammu Region, 8128 sq km in Kashmir Region) constitutes 47.81% of the effective geographical area in UT of J&K.

20.3 Definitions:

- ***Coniferous Forests:*** Coniferous forest, vegetation composed primarily of cone-bearing needle-leaved or scale-leaved evergreen trees like Pines, spruces, firs and larches etc found in areas that have long winters and moderate to high annual precipitation. Forests with minimum 80% of the area under coniferous trees are known as coniferous forests.
- ***Non-Coniferous Forests:*** Non-coniferous trees have broad leaves, which may be very narrow rather than needles or scales, can be deciduous or evergreen depending on the tree's native region (i.e. temperate vs. tropical) like oak, beech, birch, poplar, walnut, cherry, apple and olive etc. Non-Coniferous Forests are forests where at least 80% of the total area is covered by non-coniferous tree species.
- ***Reserved Forests:*** Reserved Forests are the most restricted forests and are constituted by the State Govt. on any forest land. Forests which are permanently dedicated to the production of timber or for some other specific purpose. Grazing and cultivation is rarely allowed in such forest areas.
- The chapter presents forests area and revenue realized from out turn of major and minor forest produce

XXI-SOCIAL WELFARE

21.1 Welfare measures for under-privileged and vulnerable sections of the society are essential for ensuring growth and justice. The Social Welfare Department has the responsibility to safeguard the educational and economic interests of the weaker sections and in particular of the Scheduled Castes and Scheduled Tribes. In conformation with these objectives, the Jammu and Kashmir Government is making sustained efforts to remove the socio-economic disparities against the weaker section in general and backward classes in particular

21.2 This chapter caters the information about the operational mechanism available at various levels in Jammu and Kashmir along with steps taken for the development of weaker sections including children and women. Details of Incentives by way of scholarship to the pre and post-matric students of backward classes, data on fianancial assistance under Pradhan Mantri Matru Vandana Yojana (PMMVY) and Ladli Beti Scheme under the purview of Social Welfare Department are also contained in the chapter. Besides, data on the number of Integrated Child Development Scheme (ICDS) Projects and Anganwari Centers available in Jammu and Kashmir and their district composition for the year 2024-25 are also reflected in the chapter.

XXII-FOOD, CIVIL SUPPLIES & CONSUMER AFFAIRS

22.1 The Department of Food, Civil Supplies & Consumer Affairs has the mandate for distribution of essential commodities viz. Rice, Wheat, Sugar, Kerosene Oil under the Public Distribution System.

22.2 The National Food Security Act, 2013 has been implemented in Jammu and Kashmir with effect from 1st of Feb, 2016. The objective of this act was to provide access to adequate quantities of quality food at affordable prices. The Department also plays an active role in managing the supplies of other essential commodities.

22.3 The Department of Food, Civil Supplies & Consumer Affairs is committed to protect the interest of the consumers in the UT of Jammu and Kashmir. The department has established the Consumer Redressal Agencies to redress the Consumer Grievances. The UT/State and District Consumer Councils have also been established under the Consumer Protection Act, 1987 to promote and protect the rights of the consumers.

22.4 Food rationing in UT of Jammu and Kashmir has helped in ensuring availability of uninterrupted supply of food grains to the general public, especially the BPL population.

22.5 This chapter presents data on year-wise import of food grains, rationed population and off-take of food grains from government depots.

Note:

1) 11 No. of POS devices suspended temporarily during 2023-24

2) Various Government Sale Outlets have been merged with their Parent Sale Centers owing to the low number of ration cards.

3) Difference in Total No. of Sale Centres and PoS devices is because one PoS device is used for more than one Sale centre for distribution of foodgrains.

XXIII-C.D., N.E.S. & REVENUE

23.1 The strengthening of the Panchayati Raj Institutions (PRIs) plays a significant role in development of local planning, decision-making and supervision of various activities in the panchayats.

23.2 Panchayat Raj institutions have evolved with the backing of the 73rd Amendment to the Constitution of India. The Jammu and Kashmir government has accordingly empowered the Panchayats to implement various developmental schemes with adoption of the "Block" as the unit of development. The chapter presents data on district /block wise number of panchayats.

XXIV- EMPLOYMENT

24.1 Employment exchanges were established at Srinagar and Jammu for registration of unemployed persons back in 1958-59. Since then the number of exchanges has gone up to 20. The Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959 was passed by the Parliament to make it compulsory for the establishments under Public and Private Sectors to notify vacancies to the nearest Employment Exchanges.

24.2 This chapter presents data on the number of employment exchanges, the registration and placements made and the qualification wise number of persons on the live register of the employment exchanges, besides, employment generated under different CSS & UT Sectors development schemes (CAPEX) and achievements made under Prime Minister Employment Generation Programme (PMEGP). During 2024-25, 1.48 lakh employment generated under different schemes.

XXV-BANKS, INSURANCE AND SAVING

25.1 A well-structured and efficient network of financial institutions helps to boost economic growth. Financial entities like banking institutions, insurance companies, mutual funds, venture capital funds, pension funds etc are all part of the vast financial market.

25.2 The financial sector of UT of J&K is dominated by banks which are meeting the financial requirements particularly of the un-organized sector and the self-employed in the micro and small business sectors. The institutional structure of banking in J&K consists of several institutions namely commercial banks, Regional Rural Banks and cooperative banks.

25.3 This chapter presents a consolidated picture of progress of banking in UT of J&K. It includes district-wise data on the total number of bank branches, deposits and advances of scheduled commercial banks as per the Reserve Bank of India and data on aggregate deposits and gross bank credit. The number of insurance policies issued by Life Insurance Corporation of India, number of policies sold by MetLife Limited and district-wise breakup of outstanding bank credit have also been incorporated in this chapter.

XXVI-POST AND TELECOMMUNICATION

26.1 Telecommunication services are globally recognized as a driving force and have a significant influence in overall economic development.

26.2 The Indian postal network is the largest in the world with the majority of the post offices located in rural areas. Post offices in both urban and rural areas provide a range of basic postal services to the customers including banking and insurance services.

26.3 This chapter presents data on postal and telecommunication facilities available in J&K. Year wise data on telephone connections, number of cellular phones, number of head post offices, sub post offices, branch post offices and telegraph offices.

XXVII- TOURISM

27.1 The tourism sector plays significant role in the socio economic development of the J&K economy. The UT of Jammu and Kashmir has immense tourism potential which has a strategic place in the economy of Jammu and Kashmir, as it accounts for almost 7% of the total GDP of Jammu and Kashmir. This Sector is a major source of employment, foreign exchange, infrastructure development and development of local handicraft and handloom industries.

27.2 The two regions of the Union Territory –Jammu and Kashmir have their unique potential for eco-tourism, adventure tourism, spiritual as well as pilgrimage tourism. Kashmir is known as, "Paradise on Earth" because of its unmatchable scenic beauty and attractive landscapes. Jammu, also known as the "City of Temples" is an important destination for pilgrimage tourism. Tourism has a multiplier effect on income and employment generation and gives tremendous fillip to the overall economy.

27.3 The Department of Tourism is entrusted with overall planning and execution of schemes for the development, up gradation and improvement of tourism infrastructure in different parts of Jammu and Kashmir.

27.4 This chapter presents data on tourist footfall, number of domestic and foreign tourists, who made a trip to Kashmir valley, various tourist resorts and number of devotees coming for Shri Mata Vaishno Devi Yatra and Shri Amar Nath Yatra. The numbers of tourist huts, bungalows, hotels and restaurants in the UT of Jammu and Kashmir have also been captured in this chapter.

XXXII- STATE ECONOMY

32.1 The Directorate of Economics and Statistics, J&K calculates the Gross State Domestic Product (GSDP) and Net State Domestic Product (NSDP)both at current & constant prices besides Per Capita Income.

32.2 State Domestic Product (State Income) is a measure in monetary terms, of the volume of all final goods and services produced in an economy during a given period of time. The State Income and related estimates are the indicators of economic performance. A uniform methodology devised by National Accounts Division (NAD), National Statistical Office (NSO), MoSPI, New Delhi is used to prepare the estimates for three sectors namely:

32.2.1- Primary Sector-

1. Agriculture and Allied activities which includes:
    i. Crop;
    ii. Livestock;
    iii. Fishers and aquaculture;
    iv. Foresting and logging; and
2. Mining and quarrying.

32.2.2- Secondary Sector-

1. Manufacturing;
2. Construction; and
3. Electricity, Gas, Water Supply and other utility services.

32.2.3- Tertiary Sector-

1. Transport, Storage, Communication and services related to broadcasting;
2. Trade, Hotels & Restaurants;
3. Financial Services;
4. Real Estates, Ownership of dwellings and professional Services;
5. Public Administration; and
6. Other Services.

32.3 The chapter presents Gross and Net State Domestic Product estimates at current and constant prices along with their sector wise percentage distributions.

Note 2RE= 2nd Revised Estimate, 2AE: Second Advance Estimate

Source: Directorate of Economics & Statistics, J&K.

The constant estimates from 1980-81 to 1992-93 are on 1980-81 prices, from 1993-94 to 1998-99 are on 1993-94 prices, from 1999-00 to 2003-04 are on 1999-00 prices, from 2004-05 to 2010-11 are on 2004-05 prices and 2011-12 onwards are on 2011-12 prices.

XXXIII-GENERAL INFORMATION

PRICE

33.1 The Consumer Price Index (CPI) measures the weighted average prices of a basket of consumer goods and services. It is calculated by taking price changes for each item in the predetermined basket of goods and averaging them. Changes in the CPI are used to assess price changes associated with the cost of living. The CPI is widely used statistics for identifying inflation/ deflation.

33.2 The Consumer Price Index for industrial workers and agricultural labourers are computed by Labour Bureau, Ministry of Labour Shimla, while as the consumer price Index for urban non-manual employees are computed by the Central Statistical Organization (CSO), Government of India. The Index is used for regulation of wages and dearness allowances of Central and State/UT Government employees.

33.3 This chapter presents data on consumer price index for Industrial Workers, Agricultural Labourers and Urban Non-Manual Employees. Additionally, indices for UT of Jammu and Kashmir in relation with other states/UTs, community-wise families registered with relief organization & assistance provided, sports participation under "Khelo India" at National level, grievance redressal, average air quality index and number of deaths due to natural calamities etc have also been provided.

ECONOMIC CENSUS

33.4 Data related to Economic Census conducted by the Central Statistical Organization in collaboration with Directorate of Economics and Statistics, J&K is also presented in this section.

33.5 This chapter gives information on establishments with important salient features and number of persons working in the establishments with the details of hired workers. The information on the number of establishments is classified into three broad categories i.e. Own Account Establishments (OAE), Non-Directory Establishments (NDE) and Directory Establishments (DE) with Rural-Urban divide.

Other vital information

33.6 Information on registered migrant families for relief, wholesale / retail drug and food manufacturing units, Khelo India participation, sports infrastructure availability, average air quality index besides deaths due to natural calamities and public libraries has been reflected in this chapter.

Source:CensusDeptt

* The population figures exclude population of the area under unlawful occupation of Pakistan and China where Census could not be taken. Area figures include the area under unlawful occupation of Pakistan and China. The area includes 78,114 Sq.km under illegal occupation of Pakistran,5180 sq kms illegally Handed over by pakistan to China and 37,555 sq kms under illegal occupation of China. Rural and urban area of Arunachal Pradesh also excluded due to non availability.

Revised area figures in two districts of Maharashtra are resultant due to jurisdicational change after census 2001 as given below-

District	Total	Rural	Urban
Jalna	7687.39	7581.23	106.16
Aurangabad	10137.61	9828.26	309.35

The town Gohpur falls under Gohpur and Helem sub-districts (District Sonitpur in Assam). Density of urban of Helem sub district could not be shown separately.

Area (23477.34 sq.km) not under any sub-district in Kachchh district (Rann of Kachchh) in state Gujarat.

The boundary of "Merangmen circle" (district Mokokchung in Nagaland) could not be drawn due to technical difficulty. So, the area could not be derived.

The boundaries of Aquqhnaqua Circle and Niuland Circle (district Dimapur in Nagaland) could not be drawn due to technical difficulty. So, the area of Niuland Circle is included in Aquqhnaqua Circle.

One urban unit namely Srikalikapuram (CT) of Thiruvallur district (Tamil Nadu) with area 3.5 sq.km was included which was noticed after publication of PCA, therefore there is difference of 3.5 sq.km in this district and state level.

Population per sq. km is negligible in Sub- districts Mipi and Etalin (District Dibang Valley in Arunachal Pradesh)

Note:

1. The total area of India represents 'Geographical Area' supplied by Survey of India.
2. The State/District area figures are provided by Survey of India (except newly created and affected districts of J&K) and the Sub-District area figures are derived through digitalization method in ORGI.
3. Density has been worked out on comparable data.
4. Density for rural portion of Jammu & Kashmir has been worked out after excluding the entire area of the illegal occupied portion of Pakistan and China as its rural-urban breakup is not available.

(i) The same has also been done while working out the density of India.

(ii) Rural and Urban population of Arunachal Pradesh has also been excluded as Rural and urban area figures are not available.

5. Area figures in 6 districts (Koriya, Sarguja, Raighar, Bilaspur, Durg and Bastar) of Chattisgarh revised by state authorities after publication of PCA 2011 India.

NA: Not available

*Poverty ratio for 2004-05 is based on Uniform Recall Period in which consumer expenditure data for all the items are collected from 30 day recall period.

1. Poverty Ratio of Assam is used for Sikkim, Arunachal Pradesh, Meghalaya, Mizoram, Manipur, Nagaland and Tripura.

2. Poverty line of Maharashtra and expenditure distribution of Goa is used to estimate poverty ratio of Goa.

3. a) Poverty line of Himachal Pardesh & Expenditure distribution of Jammu & Kashmir isused to estimate Poverty ratio of Jammu & Kashmir

b) Poverty ratio of Himachal Pardesh is used for Jammu &Kashmir for 1993-94

4 Poverty ratio of Tamil Nadu is used for Pondicherry and A&N Islands.

5. Urban Poverty ratio of Punjab used for both rural and urban poverty of Chandigarh.

6. Poverty line of Maharashtra and expenditure distribution of Dadra & Nagar Haveli isused to estimate poverty ratio of Dadra & Nagar Haveli.

7. Poverty ratio of Goa is used for Daman & Diu.

8. Poverty ratio of Kerala is used for Lakshadweep.
